

On Tuesday, March 24, at approximately 11:53 a.m., Officer Goggin was dispatched to the Quincy Police Station lobby to meet with a female victim of domestic violence.

Upon arrival, the officer interviewed the victim, who stated that she is married and fearful of her husband, so much that she has been staying inside her bedroom for the past week and only comes out for food when her husband goes to work as an Uber driver. She added her husband was not keeping her in the bedroom and has not physically hurt her but has called her demeaning words and has frightened her with his anger.

She said her husband is very concerned for the well-being of his mother over the coronavirus because his mother lives so far away in California. She told the officer her husband is angry because she will not drive to California with him.

When asked about physical threats or violence, the victim said her husband has threatened to hit her by raising his hand at her and then close in but then does not make contact with her. She said she is afraid of him and related a story that happened five days ago.

She stated her husband told her, "I will beat you up and cut your tummy." She denied being pregnant. She added he also hides money from her.

Based on the victim's statements, Officers Goggin and Stanley responded to the Adams Shore address to arrest her 51-year-old husband on the charge of assault on an intimate partner. The officers then assisted the victim in obtaining an emergency restraining order

ANOTHER JOB WELL DONE

On Tuesday, March 23, at approximately 10 p.m., Officers Goldrick and Acevedo were dispatched to Faxon Commons on Southern Artery for a male with a red hat, dark clothes and a backpack trying to enter cars. Upon arrival, the officers met with the caller who led them to a black motor vehicle in a secluded rear lot.

The officers' attention was drawn to this vehicle because the dome light was on and there was a male wearing a red hat and dark clothing next to the driver's door. There was also a tote bag next to the male's feet.

The officers approached and placed the male into handcuffs. Officers Acevedo and Kaes stayed with the suspect while Officer Goldrick further investigated. Upon closer inspection, he observed that the ve-

hicle's interior appeared to have been disturbed and there were additional items on the driver's seat. Based on the registration, attempts were made to contact the owner to no avail. On the top of the blue bag, in plain view, was a piece of mail addressed to the owner too.

The officer then spoke to the reporting party/witness who said he was outside utilizing the dumpster when he saw the male try to enter a parked car. Initially he didn't think anything of this until the male moved onto another car eventually trying to open 4 to 5 cars. He was unsure if he was successful at entering these vehicles. When he saw the male suspect enter one of the vehicles, he called the police.

Officers Acevedo and Kaes determined the identity of the suspect and a default warrant out of Roxbury District Court for possession of a burglarious instrument and larceny under \$1,200 for him. The suspect, a 41-year-old Taunton resident, was placed under arrest for the warrant and breaking and entering into a motor vehicle in the nighttime-felony.

During the booking process, the following items were located in the blue tote bag: 1) Two Garmin GPS units, 2) TCL cell phone, 3) Lolideal vacuum, 4) Tekton digital meter, 5) Mi.com battery device, 6) library card/Chuck E. Cheese card/Stop & Shop card. These items were placed into evidence.

Detectives will follow up in the case to possibly bring further charges and return stolen items to their rightful owners.

Nice Work!
